

Market Square Day 10K

Portsmouth, New Hampshire

Note:

This course was measured along the shortest possible route. However, the race director may, in the interest of safety, restrict runners to any desired sub-region of the roadway.

1M - At the intersection of Harbor Pl and Bow St, even with utility pole # 172/10FP at the corner.

2M - On the southeast side of Dennett St, between #204 & #206, and approximately 9 ft northeast of a hydrant.

3M - On the northwest side of Islington St, just before the entrance to Plaza #801, and approximately 11 ft. northeast of a storm drain.

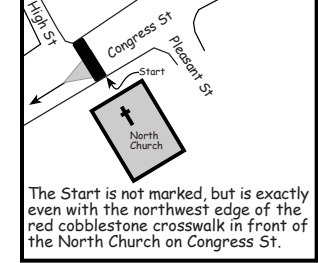

5km - On the northwest side of Islington St in front of #882 and approximately 12 ft. southwest of utility pole # 2/46/78/45/62.

4M - On the south side of Middle Rd, in front of #300 Middle Rd, and approximately 53 ft. east of a hydrant.

5M - On the southwest side of Miller Ave in the middle of the intersection with Merrimack St and approximately 8 ft. northwest of a hydrant.

6M - On the east side at the intersection of Marcy, Mill, and Pleasant St, and approximately 11 ft. southwest of a manhole (sewer).

Start Details

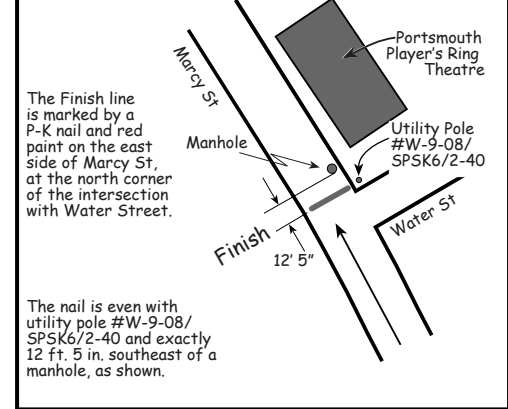

The Start is not marked, but is exactly even with the northwest edge of the red cobblestone crosswalk in front of the North Church on Congress St.

Note:

This course was adjusted shortly before the race date due to construction near the turn at Wright Ave. The finish was moved 95 ft. 6 in. away from the start. The splits were not moved. To place the splits more accurately, they should be placed approximately 95 ft. toward the finish from the descriptions on this map.

Finish Details

The Finish line is marked by a P-K nail and red paint on the east side of Marcy St, at the north corner of the intersection with Water Street.

The nail is even with utility pole #W-9-08/SPSK6/2-40 and exactly 12 ft. 5 in. southeast of a manhole, as shown.
